Art Gallery of Northumberland Hosts Ontario Society of Artists 150th Anniversary Exhibition *Province-wide exhibition explores the natural environment with 55 works from OSA members.*

COBOURG, ON (Tuesday, September 6, 2022) – The Art Gallery of Northumberland (AGN) is pleased to host *Ambient Landscapes*, the [Ontario Society of Artists](#) (OSA) 150th Anniversary exhibition under the theme *Breath, Heart and Spirit* which unites the year long celebrations.

The exhibition will run from September 10 – October 16, 2022, at the Art Gallery of Northumberland with an Opening Celebration on Saturday, September 10, 2022, at 1 p.m. Co-curated by Olinda Casimiro, Executive Director of the Art Gallery of Northumberland and Anne Cavanagh, award-winning artist, and former Director of the OSA, this member exhibition features 55 works providing a variety of media, size, and styles within the OSA. For this exhibition members considered the theme of ambient landscapes reflecting upon the natural environment.

“We are delighted to host the Ontario Society of Artists’ 150th Anniversary exhibition where viewers are challenged to spend time contemplating both an expression of the traditional and contemporary forms of landscapes,” said Olinda Casimiro, Executive Director of the Art Gallery of Northumberland. “A strong connection to nature is part of the OSA legacy from the Group of Seven.”

Landscape, or the depiction of natural scenery like mountains, valley’s, vista, trees, and forests, appeared in art first as a background to figures and narrative painting and then eventually as its own stand-alone subject. Landscapes may be extremely detailed and realistic or be the most subtle and abstract and can depict actual or imaginary places. In this exhibition, some OSA members chose to focus on perception such as light, shadow, texture and movement, others sculptural and figurative all with ambient landscapes in mind.

“We wish to congratulate the OSA on their 150th anniversary and for inviting the AGN to partner and host this celebratory exhibition,” said Co-Curator Anne Cavanagh. “Lastly, thank you to the OSA artists who were patient with our process, and participated from across Ontario, we wish you continued success in your artistic endeavours.”

About the Ontario Society of Artists

The Ontario Society of Artists was established in 1872 and is a group of over 300 professional visual artists working in all media, living in every corner of Ontario. They represent the diverse backgrounds and cultures of this province. The earliest members of the OSA, aware of the need, played an important role in creating the Art Gallery of Ontario, the Ontario College of Art, and several other smaller art societies. They are engaged in providing exhibitions for emerging artists and can reach out to the large provincial population through a vibrant social media presence.
