NORTHUMBERLAND'S PUBLIC ART GALLERY

The Art Gallery of Northumberland provides access to art for the enjoyment and education of the people of Northumberland County.

We exist to serve all of Northumberland County as a public gallery. We present intellectually stimulating exhibitions and programming, as well as maintain a permanent collection of visual arts. Along with exhibitions we fulfill our mandate through educational activities which encourage active dialogue between the Gallery audience and the visual arts; including lectures, films, workshops, artist talks and tours.

The AGN is Northumberland County's largest collecting public art gallery, exhibiting historical, modern and contemporary Canadian art and is a vital cultural hub for artists.

LOCATED IN HISTORIC VICTORIA HALL

Victoria Hall is an excellent example of the traditional style of 1850's architecture, including ornate details. The three story Town Hall building has been updated to modern standards, while maintaining the historical craftsmanship for all to enjoy today.

Victoria Hall is a versatile community building and houses court rooms, a concert hall, offices meeting room, and the Art Gallery of Northumberland.

Victoria Hall is a focal point in the community, and is central to the vibrant downtown area.

IN DOWNTOWN COBOURG

The lakeshore town of Cobourg is a historical community rich in architecture culture. The heritage of Cobourg can be seen immediately though out the downtown and waterfront area, with historical building that have been transformed into a vibrant downtown community.

Parks and monuments welcome all visits for your enjoyment. Cobourg is located just off of the 401 highway, approximately 95km (59 mi) east of Toronto. Cobourg has the most incredible waterfront including a sandy beach, harbor and marina. Festivals through the year capture the vitality of the community.

There is no end to the spectacular selection of food and drink options. From a fresh famers market, to a world class gourmet dinner, Cobourg offers an abundance of options.
